AMENDMENT

Honorable Commissioner for Patents
Washington, D.C. 20231

In response to the Office Action of
July 24, 2002, for which a three-month extension of time
to respond is hereby requested, please enter the
following amendment:

IN THE CLAIMS

Please amend claim 5 as follows:

K1
5. (Ninth Amendment) A method for inhibiting
the decrease of naturally occurring active-oxygen-
eliminating activity in a fresh plant wherein the
decrease in said activity is associated with processing
said fresh plant or an edible part of said fresh plant,
which comprises a step of

incorporating homogeneously, in an aqueous
system, at least 1% of an inhibitory agent based on said
fresh plant or said edible part on a dry solid basis into
